

A Friend Like You

Geoff Moore

Lone ranger and tonto
Laurel and hardy
Batman and robin
There was snoopy and charlie
Friends through thick n' thin
Friends to the very end
I think you would agree
That's how it is for you and me

I-I-I want you to know
I need you
I-I-I want you to know, it's true
There's no-no-no way I'd make it without you
It's so good to know, I've got a friend like you

I tell you it's black
But you see it white
You say go left
But I know it's right
No matter where we go
Be it through the highs and lows
I will be by your side
'cuz you and I are friends for life

I-I-I want you to know
I need you
I-I-I want you to know
It's true
There's no-no-no way I'd make it without you
It's so good to know, I've got a friend like you

Through all of the laughter and tears
Through all of the questions and fears
Through all of the winning and losing and trying
I will be by your side
'cuz you and I are friends for life

I-I-I want you to know
I need you
I-I-I want you to know
It's true
There's no-no-no way I'd make it without you
It's so good to know, I've got a friend like you(x2)
