

# Saying Grace

Geoff Moore

It was like a miracle  
The way she made us feel  
Oh like a symphony the way she made a meal  
She could pull us all together  
And we would feel the faith  
When we bowed our heads  
We were saying grace

Some people have a way you know  
They put you right at ease  
Some people have a kindness  
That will bring you to your knees  
It's the ordinary moments  
When the light is breaking through  
Once the door is open  
All that you can do  
Is open your mouth and say

God is good  
And God is great  
Thank you for the bread we break  
Bless the hands that set this table  
For our lives we are  
Truly grateful  
Let every breath that we take  
Be saying grace

They were all together for the very last time  
The bread would soon be broken  
Then the spilling of the wine  
This is my life, I'm pouring out for you  
So always remember in everything you do

To open your mouth and say

God is good  
And God is great  
Thank you for the bread we break  
Bless the hands that set this table  
For our lives we are  
Truly grateful

We are grateful that you've given us another day  
Grateful for another chance for us to say  
God is good  
God is great  
Thank you for the bread we break

God is good  
And God is great  
Thank you for the bread we break  
Bless the hands that set this table  
For our lives we are  
Truly grateful  
Let every breath that we take  
Be saying  
Oh, let every breath that we take

Be saying  
Let every breath that we take  
Be saying grace
