

# Tearin' Down The Walls

Geoff Moore

David Martin

Ephesians 2:14-17

I get weary, life gets downright hard  
In this world we're all stuck to the ground reaching for the  
stars  
When the mountain's high  
And the road runs long  
And the sun seems it won't shine  
You keep holding on with a love so strong  
You keep...

Chorus

Tearin' down the walls between us  
Building up the love  
You keep on tearin' down the walls between us  
Never giving up

I keep thinking things might turn around  
And the dreams we dream will find their wings and leave the  
ground  
But they all fall down  
Never make a sound  
And I want to run and hide  
But You keep holding on with a love so strong

Chorus

When the mountain's high  
And the road is long  
And the sun seems it won't shine  
You keep holding on with a love so strong

Repeat Chorus
