```
With a grain of faith,
they say you can move a mountain.
And from the crater made,
 your dreams will flood like from a fountain.
 This is my life,
 what I raise my hand for.
 This is what I...
 what I stand for.
What gets your through the day?
What is your savior?
 Faith soul faith,
 there is no failure.
 This is what I...
 what I raise my hand for.
 This is what I...
 what I stand for.
 With a grain of faith.
 With a grain of faith.
 With a grain of faith.
 With faith...
 you can move a mountain.
 This is life...
 what I raise my hand for.
 This is life...
 what I raise my hand...
 This is life...
 what I raise my hand...
 What I...
 What I stand for.
