

# All Around

Geoffroy

I'll calm myself down  
Stay out of trouble  
Keep it kosher now  
I know you're all around me  
You're all around

I'll be the bigger man  
Follow your steps  
Keep an open mind  
I know you're all around me  
You're all around

Five more minutes  
Five more minutes  
Five more minutes  
Five more minutes

Five more minutes  
Five more minutes  
Five more minutes  
Five more minutes

I'll calm myself down  
Stay out of trouble  
Keep it kosher now  
I know you're all around me  
You're all around

I'll be the bigger man  
Follow your steps  
Keep an open mind  
I know you're all around me  
You're all around
