

Bad Habit

Geoffroy

Give it up, she says
You're up to no good
You're with me now, get me high
Walk me around but if I

If I go, if I go your way now
Will you keep it goin', will you show me how
Will you keep it goin'
Will you show me how to get back home

You're such bad habit
Yet I don't know why, I keep coming back to you
Yet I don't know why, I keep coming back
Such bad habit
Yet I don't know why, I keep coming back to you
Yet I don't know why, I keep on coming back

You're stepping out instead of playing your part
Did we stray too far and upset your heart?
Leaving invisible scars

If I go, if I go your way now
Will you keep it goin', will you show me how
Will you keep it goin'
Will you show me how to get back home

You're such bad habit
Yet I don't know why, I keep coming back to you
Yet I don't know why, I keep coming back
Such bad habit
Yet I don't know why, I keep coming back to you
Yet I don't know why, I keep on coming back
