

## Band Aid

George Alice

It's so funny  
How you're looking down on me  
When your Rolls Royce is so low to the ground  
All the labels, that you're placing on my name  
Rip the Band-Aid and just let me go

Keep repeating the same old tracks  
Don't forget me I'll never come back  
It's a cycle, yeah it's not me  
It's not me

Gotta be honest and say what I'm feeling  
'Cause tomorrow I'm leaving  
Thanks for the memories, let's make this easy  
Rip the Band-Aid, rip the Band-Aid  
Gotta be honest and say what I'm feeling  
'Cause tomorrow I'm leaving  
Thanks for the memories, let's make this easy  
Rip the band aid, rip the Band-Aid

I've been lying, I've been liking all my secrets  
I've been hiding from the truth  
I've been distant, everyone's got an opinion  
Guess I see a little different too

Keep repeating the same old tracks  
Don't forget me I'll never come back  
It's a cycle, yeah it's not me  
It's not me

Gotta be honest and say what I'm feeling  
'Cause tomorrow I'm leaving  
Thanks for the memories, let's make this easy  
Rip the Band-Aid, rip the Band-Aid  
Gotta be honest and say what I'm feeling  
'Cause tomorrow I'm leaving  
Thanks for the memories, let's make this easy  
Rip the Band-Aid, rip the Band-Aid
