Circles

George Alice

Wondering if I'll go
Is there something more to you and I?
But I guess that I will never know
You've been engraved into my concrete mind

We've been going 'round and 'round and 'round in circles
'Round and 'round and 'round, is it worth it?
Every time we touch, you pull me back

You know I lie when I say goodbye
I don't mean it, don't mean it, don't leave me
You know I lie when I say goodbye
Sometimes I mean it, I mean it, I'm leaving

Say goodbye, say goodbye, say goodbye
Sometimes I mean it, I mean it, I'm leaving
Say good-

Another promise that you broke
It's a routine, you sold me your dreams
Why is it so hard to let you go?
You're my bad habit, how did this happen?

We've been going 'round and 'round and 'round in circles
'Round and 'round and 'round, is it worth it?
Every time we touch, you pull me back

You know I lie when I say goodbye
I don't mean it, don't mean it, don't leave me
You know I lie when I say goodbye
Sometimes I mean it, I mean it, I'm leaving

Say goodbye, say goodbye, say goodbye
Sometimes I mean it, I mean it, I'm leaving
Say good-

Wondering if I'll go
Is there something more to you and I?
But I guess that I will never know
You've been engraved into my concrete mind
