

# Healed

George Alice

Maybe I didn't mean to drive you crazy  
Just didn't know what to say  
When you left me on the corner  
Screaming out your name  
Do you think that you'd still hate me  
If I gave it all away  
Leave it for another day

Should've said I'm sorry, knew I wouldn't mean it  
Didn't mean to get caught in the feelings  
Did you feel it?  
Are you healed yet?

You know where I'll be if you need me  
Can't guarantee I'll be listening  
Just hope that you figure it out  
Are you healed yet?

If I had half of you  
I'd be happy with that  
If you could tell the truth  
Would you want to?  
Happy to leave it behind  
If you are too  
If you are too

Should've said I'm sorry, knew I wouldn't mean it  
Didn't mean to get caught in the feelings  
Did you feel it?  
Are you healed yet?  
Fuck the calls I'm glad that I missed 'em  
Now you're mad I messed with the system  
Didn't mean to get caught in the feelings  
Did you feel it?

You know where I'll be if you need me  
Can't guarantee I'll be listening  
Just hope that you figure it out  
Are you healed yet?  
You know where I'll be if you need me  
Can't guarantee I'll be listening  
Just hope that you figure it out  
Are you healed yet?

So you found a new girl  
I'd imagine that your world is smaller  
When the view don't change  
So I guess I'll see you round  
'Cause I'm always in and out of town

You know where I'll be if you need me  
Can't guarantee I'll be listening  
Just hope that you figure it out  
Are you healed yet?  
You know where I'll be if you need me  
Can't guarantee I'll be listening  
Just hope that you figure it out

Are you healed yet?

If I had half of you  
Are you healed yet?  
If I had half of you  
I'd be happy with that  
If I had half of you  
Are you healed yet  
If I had half of you
