

## If You Understand

George Baker Selection

If you understand what I feel for you  
You don't have to worry that I think I do  
If you read my mind words that I can say  
Then you'll know the answer, the reason why I stay

If you understand why the sky is blue  
And it is so easy, to be a human too  
But there is someone that we never know  
But I'll keep on trying, love will make it grows

Love is a wonderful thing  
Where all my dream are made  
Love is the answer, the reason for living  
Darling, what can I do, to make you feel it too  
Happiness, that make the fire glow

Let me be your light, on this narrow road  
Be my helping handled, to let my feeling shows  
So if you understand, all the words I've said  
Then you'll know the answer, what there's inside my head
