

Don't Let Me Be Lonely Tonight

George Benson

Do me wrong, do me right,
Tell me lies but hold me tight,
Save your goodbyes for the morning light,
But dont let me be lonely tonight.

Say goodbye and say hello,
Sure enough good to see you, but its time to go,
Dont say yes but please dont say no,
I dont want to be lonely tonight.

Go away then, damn you,
Go on and do as you please,
You aint gonna see me gettin down on my knees.
Im undecided, and your hearts been divided,
Youve been turning my world upside down.

Do me wrong, do me right (right now baby),
Go on and tell me lies but hold me tight.
Save your goodbyes for the morning light (morning light),
But dont let me be lonely tonight.
I dont want to be lonely tonight.
No, no, I dont want to be lonely tonight.

I dont want to be lonely tonight.
