Everybody Does It

George Benson

I may be right, I may be wrong
But I'm not prepared to go along
With all my friends who play around
'Cause they don't know
This love we've found

So I'm not gonna quit
When I know that I'm ahead
That's the last thing
I would wanna do
Don't care a bit what anybody says
Where else would I find
Someone like you, just 'cause

Everybody docs it, baby
That don't make it right
I wish I could convince you
That ain't really what I'm like
Everybody does it, girl
But that don't mean it's cool
No two ways about it
I'm in love with you

By now you know the way I am
I'm right on time when we got plans
I don't mess around
I don't stay out late
Don't throw no curves
I like to play it straight

Not gonna quit
When I know that I'm ahead
Girl, that's the last thing
I would ever wanna do
Don't care a bit what anybody says
Where else would I find
Another you, just 'cause

Everybody docs it, baby
That don't make it right
I wish I could convince you
That ain't really what I'm like
Everybody does it, girl
But that don't mean it's cool
No two ways about it
I'm in love with you

Everybody does it, baby
That don't make it right
I wish I could convince you
That I'm really not that type
Everybody does it, girl
But that don't mean it's cool
No two ways about it
I'm in love with you
Mm girl
I'm in love with you

Love with you
Listen, listen

I don't need to try it
And baby, baby, I don't buy it, no no
Wouldn't you agree
Baby, it's not me
And I can't justify it
Just 'cause everybody does it

Everybody docs it, baby
That don't make it right
I wish I could convince you
That ain't really what I'm like
Everybody does it, girl
But that don't mean it's cool
No two ways about it
I'm in love with you

Everybody does it, baby
That don't make it right
I wish I could convince you
That I'm really not that type
Everybody does it, girl
But that don't mean it's cool
No two ways about it
I'm in love with you
Mm girl
I'm in love with you
Love with you
Listen, listen

Everybody does it, baby
That don't make it right
And when they do
They know that it ain't right
But I'd rather be with you tonight
Everybody does it, girl
But that don t mean it s cool
And everybody knows
I'd rather be with you tonight
Everybody does it
Baby, that don't make it right
