

Something / Octopus's Garden / The End

George Benson

Something in the way she moves
Attracts me like no other lover
Something in the way she woos me

I don't want to leave her now
You know I believe her now

Somewhere in her smile she knows
That I don't need no other lover
Something in her style that shows me

Don't want to leave her now
You know I believe her now

You're asking me will my love grow
I don't know, I don't know
You stick around now it may show
I don't know, I don't know

Something in the way she knows
And all I have to do is think of her
Something in the things she shows me

Don't want to leave her now
You know I believe her now

I'd like to be under the sea
In an octopus's garden in the shade
He'd let us in, knows where we've been
In his octopus's garden in the shade

I'd ask my friends to come and see
An octopus's garden with me
I'd like to be under the sea
In an octopus's garden in the shade

We would be warm below the storm
In our little hideaway beneath the waves
Resting our head on the sea bed
In an octopus's garden near a cave

We would sing and dance around
Because we know we can't be found
I'd like to be under the sea
In an octopus's garden in the shade

We would shout and swim about
The coral that lies beneath the waves
(Lies beneath the ocean waves)
Oh what joy for every girl and boy
Knowing they're happy and they're safe
(Happy and they're safe)

We would be so happy you and me
No one there to tell us what to do
I'd like to be under the sea
In an octopus's garden with you

In an octopus's garden with you
In an octopus's garden with you

Oh yeah, all right
Are you going to be in my dreams
Tonight?

And in the end
The love you take
Is equal to the love
You make
