

# Bleed

George Clanton

Someone else can make you happy  
Someone else can show you a good time  
A good time  
Someone else can say, "I'm sorry"  
Someone else can fight and tell you lies  
Tell you lies  
But not like I do  
Not like me

Someone else can make you happy  
Someone else can give you all you need  
When you need  
Someone else can say "I'm sorry"  
Someone else can bite until you bleed  
Make you bleed  
Not like I do  
Not like me

Haa-oo, oh, ah!  
Haa-oo, oh, ah!  
Haa-oo, oh, ah!  
Haa-oo, oh, oh!  
Oooo-ah!

Get too close and say goodbye  
Take your clothes and hate it, but you're fine  
You'll sleep tonight  
Don't weep tonight  
It hurts your eyes  
Don't weep tonight

Oh ah!  
Haa-oo, oh, ah!  
Haa-oo, oh, ah!  
Haa-oo, oh, ah!  
Haa-oo, oh, oh!  
C'mon!
