For You, I Will

George Clanton

```
Oh yeah
Oh yeah
Oh yeah
Oh yeah

But for you
But for you, I will
I will

But for you
But for you, I will
I will

But for you
But for you, I will
I will

But for you
But for you, I will
I will

But for you
But for you, I will
I will

But for you
But for you, I will
I will

I've been so wrong
I feel so dumb
I'll do anything that you want
That you want
That you want
That you want

But for you
But for you, I will
I will
```
