

# Justify Your Life

George Clanton

Hey I've got love to give  
Maybe you're not certain what that means  
Falling out forever  
You make it real to me  
Falling out forever  
That's what I mean

Sometimes you've got to take your leave and start all over  
Make believe it's right yeah

You've got to justify your life  
Justify your life

Hey I've got love to give  
Maybe you're not certain what that is

But you've got to take your leave and start all over  
Make believe it's right  
You've got to take a leap and start all over

Justify your life yeah  
Justify your life  
You've got to justify your life yeah

Take a leap and start all over  
Take a leap and start all over  
Take a leap and start all over

Wake up
