

Kameron

George Clanton

Fill the void that's next to me
Oh Kameron
Or trade it all for ecstasy
Oh Kameron

I didn't realize what I was missing
The calls from other guys, I didn't listen
Try and tell me why, oh Kameron
You lied

Hold me close
Don't set me down
I'm floating up
Don't let me drown

I hear it in your sighs when I listen
A thousand different times, still I'm distant
Try and tell me why, oh Kameron
You cried

Miss me miss me
Now you gotta kiss me
Good night
Kiss me goodnight
