

## Keep A Secret

George Clanton

I wanna make it rough  
I wanna feel it  
I wanna make it rough  
I wanna keep a secret

I wanna make it rough  
I wanna feel it  
I wanna make it rough  
I wanna keep a secret

I will love you all the time  
No I can't  
No I can't  
It's a simple lie  
I can take you up to my  
With my hands  
With my hands  
I will make you  
Make you cry

I wanna make it rough  
I wanna feel it  
I wanna make it rough  
I wanna keep a secret

I wanna make it rough  
I wanna feel it  
I wanna make it rough  
I wanna keep a secret

I wanna make it rough  
I wanna feel it  
I wanna make it rough  
I wanna keep a secret

I wanna make it rough  
I wanna feel it  
I wanna make it rough  
I wanna keep a secret
