Waiting for the sun
It's a lie
It's a lie
Heat will never come
Waiting for the sun
For tonight
For tonight
I can be the one

And I'm never late again (Oh, oh-oh)
And I'm never not on time (Oh, oh-oh)
But you'll always wait for him
And I don't know why
I don't know why

Back against the wall
In your mind
In your mind
You can have it all
Back against the wall
Tease your thigh
Tease your thigh
Let me see you home

And I'm never late again (Oh, oh-oh)
And I'm never not on time (Oh, oh-oh)
But you'll always wait for him
And I don't know why
I don't know why

And I'm never late again (Oh, oh-oh)
And I'm never not on time (Oh, oh-oh)
But you'll always wait for him
And I don't know why
I don't know why
