

Proud

George Clanton

I couldn't be prouder without you tonight
Oh oh oh

I couldn't be prouder without you tonight
Oh oh oh

You know, the party's over
But you've never found yourself alone
Walking home...
Not even when you're sober-

And I know that you're a cowgirl
Like everybody else in town has said
In a stranger's bed
You're everybody's girl

So how come I miss every time you call?
(I can't get service)
I can't be a part of this at all
(I get so nervous)
And if you don't believe me
That I told you so
I'm a man
Understand you don't belong inside this world

I couldn't be prouder without you tonight
Oh oh oh

I couldn't be prouder without you tonight
Oh oh oh

Tonight

My only girl to hold
You thought you'd own me
And never get caught
And never get old
But if you don't believe me
Well I- I couldn't tell you no
Understand, I'm a man that doesn't need another pet

I couldn't be prouder without you tonight
Oh oh oh

I couldn't be prouder without you tonight
Oh oh oh

I couldn't be prouder without you tonight
Oh oh oh

I couldn't be prouder without you tonight
Oh oh oh
