

# Takeover

George Clanton

I took a look into your heart  
I didn't see a thing I wanted there  
Why do we wait so long  
When we're just growing older?  
Why would you twist my arm?  
I shouldn't have ever told you  
You're taking me over

Impressed, I don't believe it  
You'll enslave me now  
My best is not completed  
But you'll wear me out  
Why do we wait so long  
When we're just growing older?  
Why would you twist my arm?  
I shouldn't have ever told you  
You're taking me over  
Taking me over  
So long...
