

# Ugly

George Clanton

Girl, lift your head up off my shoulder  
My mind's not into you  
Just as I feel my heart turn colder  
I know exactly what to do

I...

I feel like touching you  
I feel you touching me  
We're so beautiful  
When we're ugly

Talk...

Is that all you ever do?  
I won't tell you I'm in love with you  
Just hold your body close to mine  
Feeling dirty but that's fine

I feel like touching you  
I feel you touching me  
We're so beautiful  
When we're ugly

Lift up your head from my shoulder  
I'm not that into you girl  
You can hold if you need to, but  
I know what it's best that you do

I feel like touching you  
I feel you touching me  
We're so beautiful  
When we're ugly

Feel like touching you  
I feel you touching me  
We're so beautiful  
When we're ugly
