

Don't stake too much in me  
Don't make me fall in love again  
We try this over you and falling over me into your bedroom  
Stay for the afternoon and then go back to work  
And soon I'm coming home again  
Coming home again

C'mon, baby  
Time to find the spot that gets into you  
Baby  
Time to find the spot that gets into you

Late night morning-afters when you wanted to hang around  
I can't turn my back onto them  
I wake up then I lay back down  
I smile when I lie a lot  
And then I tell you the truth  
Time to find the spot that gets into you  
Late night morning-afters when you wanted to hang around  
I can't turn my back onto them  
I wake up then I lay back down  
I smile when I lie a lot  
And then I tell you the truth  
Time to find the spot that gets into you  
Late night morning-afters when you wanted to hang around  
I can't turn my back onto them  
I wake up then I lay back down  
I smile when I lie a lot  
And then I tell you the truth (Tell the truth!)  
Time to find the spot that gets into you  
Late night morning-afters when you wanted to hang around  
I can't turn my back onto them  
I wake up then lay back down  
I smile when I lie a lot  
And then I tell you the truth  
Time to find the spot that gets into you  
Late night morning-afters when you wanted to hang around  
I can't turn my back onto them  
I wake up then I lay back down  
I have the urge to lie a lot  
And then I tell you the truth  
Time to find the spot that gets into you

Late night morning-afters when you wanted to hang around  
I can't turn my back onto them  
I wake up then lay back down
