

# Bodyguard

George Clinton

Baby, let me be your bodyguard  
For you I'll learn Kung Fu

Baby, let me be your bodyguard  
I'll guard your body  
Baby, let me be your bodyguard  
I'll learn Karate  
For you I'll learn Kung Fu  
And if that don't do  
I'll get a 357  
I will protect you, girl

Baby, let me be your bodyguard  
I'll guard your body  
Baby, let me be your bodyguard  
I'll learn Karate

When you feel naughty  
You wanna shake your stuff  
Ain't nobody here cause no fuss  
They gotta deal with us, baby baby  
Oh, I'll guard your body  
Not to mention your heart  
You wanna shake your stuff  
They gotta deal with us, baby baby  
Cause no fuss to you  
Baby baby, yeah  
You gotta deal with us  
Baby baby...  
Oh yeah

Baby, let me be your bodyguard  
I'll guard your body  
Baby, let me be your bodyguard  
I'll learn Karate  
I'll learn for you Kung Fu  
And if that don't do  
I'll get a 357  
I will protect you, girl  
Baby, let me be your bodyguard

Wow!  
Aw!  
Yeah, at my best with you  
Ain't nobody mess with you  
Be at my best with you  
Ain't nobody mess with you  
Not to mention your heart  
Ooh...

I'll guard your body  
Woo woo well  
Be at my best with you  
Ain't nobody mess with you

If you feel naughty  
You wanna shake your stuff

Ain't nobody cause no fuss  
They gotta deal with us, baby baby  
I'll guard your body

Baby, let me be your bodyguard  
I'll learn Karate (be at my best with you)  
Baby, let me be your bodyguard  
I'll guard your body (be at my best with you)
