

## Cool Joe

George Clinton

I once had a friend  
His name was Joe  
Joe sho' was cold  
He said "I'll be a mack  
I drive a Cadillac  
Carry money in a sack, Joe"

Right on, Joe  
Joe sho' was cold

As time went on, seen Joe  
Joe sho' was cold  
He drives a Cadillac  
With three girls in the back  
(Girls in the back)  
He carried money in a sack  
He had his hair laid back

Right on, Joe!  
Joe sho' was cold

And as time went on, seen Joe  
And Joe still was cold  
He said "My rent is due  
And my car note too  
But I ain't worried  
Cos my women will have it by afternoon"

Right on, Joe!  
Joe sho' was cold  
Cold Joe  
On the other side  
Of Cool Joe - Cold Joe

And as time went on  
I got worried about Joe  
And I asked Joe, I said  
"Why you spent all your money on the blow?"  
He said "'Cause I'm a mack  
I drive a Cadillac  
With three girls in the back  
And see, I like it like that!"

Said right on, Joe  
Joe, what cha gon' do, Joe?  
What cha gon' do?  
Joe sho' was cold

As time went on, seen Joe  
This time Joe was all outta dough  
No Cadillac, no girls in the back  
He had no money in a sack  
Joe, poor Joe  
Joe, what cha gon' do, Joe?  
I thought I told you so, uh  
What cha gon' do, Joe?  
Poor Joe

Joe, what cha gon' do, Joe?  
I told you so  
What cha gon' do, Joe...?
