

# Double Oh-Oh

George Clinton

Sexy, sexy, sexy secret agent  
Sexy, sexy, sexy secret agent  
Sexy, sexy, sexy secret agent  
Sexy, sexy, sexy secret agent

You'll never know, yeah  
Double oh-oh, oh, oh, oh, oh, woo, woo

Sexy double agent  
A spy counter-spy  
A fox and her name is  
Double oh-oh  
She's a freak for good music  
And if you choose to use it  
Take this funk you'll have her comin'  
To your a-go-go

But please don't play her cheap she'll be hard  
For you to beat you can bet  
She's got a cause and causes cause problems  
Because we always treat the effect  
Causes they cost too much

You'll never know  
Double oh-oh, oh, oh, oh, oh, woo, woo  
You'll never know

I declare and promise you  
That I'm keen to work  
And I swear to god that  
I will do what you want  
Ooh, we would take you on us  
Uuh, do you want to say alright  
And swear to god  
That you will do what we want

Say umph!  
This is for my country  
Say umph!  
This is for me  
Say umph!  
This is for my country  
My country 'tis of thee, yeah

If you choose to take this mission  
Let me make this clear  
We will disavow any knowledge of your actions  
We cannot we will not interfere

She was doin' it for her country  
I was doin' it for me  
She was doin' it for her country  
I was doin' it for me  
She was doin' it for her country  
I was doin' it for me  
She was doin' it for her country  
I was doin' it for me

But please don't play her cheap  
She'll be hard for you to beat  
You can bet  
She's got a cause  
And causes cause problems  
Because we always treat the effect  
Causes they cost too much

If you choose to take this mission  
Let me make this clear  
(They say)

We will disavow  
Any knowledge of your actions  
We cannot and we will not interfere  
(That's what they told me!)

She was doin' it for her country  
I was doin' it for me  
She was doin' it for her country  
I was doin' it for me  
She was doin' it for her country  
I was doin' it for me  
She was doin' it for her country  
My country 'tis of thee

Say umph!  
This is for my country  
Umph!  
This is for me  
Say umph!  
This is for my country  
Say umph!  
My country 'tis of thee  
...

Umph!  
This is for my country  
Umph!  
This is for me  
Umph!  
This is for my country  
My country 'tis of thee  
...
