

# Hollywood

George Clinton

San Diego Freeway northbound around  
Culver City, Westwood into Beverly Hills  
You're gone Hollywood  
I'm gonna look, I won't touch  
Oh, it's live but then, thanks very much  
Where the happening be at tonight, it's Hollywood  
As I stepped out on my front porch  
For miles around I see  
Hollywood the way she once was, Hollywood the way she be  
As I step back upon my back terrace  
Amongst the pretty leaves on my lemon tree  
San Fernando Valley way below

I'm strutting to the east side of "Hollywood!"  
I'm stomping to the west side of "Hollywood!"  
I'm stepping to the north side of "Hollywood!"  
I'm strutting to the south side of "Hollywood!"

Holly wants to go to California, living in Hollywood!  
Holly would if Holly could, living in Hollywood!  
Holly she belongs in California, living in Hollywood!  
Holly would if Holly could, living in Hollywood!

Say you want to be in the movie stars  
Bourgeois, Intercontinental never know where you are  
You've gone Hollywood  
I was caught, out on the beat  
Without even a single piece of ID  
And the man said to me it's who you know in Hollywood  
As I stepped out on my front porch  
For miles around I see  
Hollywood the way she once was, Hollywood the way she be  
As I step back upon my back terrace  
Amongst the pretty leaves on my lemon tree  
San Fernando Valley way below

I'm stepping to the south side of "Hollywood!"  
I'm funkign on the north side of "Hollywood!"  
I'm kicking on the east side of "Hollywood!"  
I'm strutting to the west side of "Hollywood!"

Holly wants to go to California, living in Hollywood!  
Holly would if Holly could, living in Hollywood!  
Holly she belongs in California, living in Hollywood!  
Holly would if Holly... living in Hollywood!  
Holly wants to go to...  
Ho ho ho ho... ha ha ha ha... ummm... mmmmm...

On my back terrace, amongst the pretty leaves on my lemon tree  
Holly looks good to me  
Living in Hollywood!  
Living in Hollywood!  
Ooh, existing, ahh... aww... in Hollywood  
Living in Hollywood!
