

## Intense

George Clinton

Go-go-go, go go...  
Go-go-go, go go...  
Gon' on messin' with it  
With your bad self  
With your bad self  
Oh, oh, oh, oh, oh...  
Bad! Shut up!  
Oh, oh, oh, oh, oh, oh, oh oh...  
Bad! Quit it!

Go get it on  
Gon' get on gone  
Get it with your bad self  
Go get in on  
Gon' get on gone  
Get it with your bad self (Shut up!)

Go get in on  
Gon' get on gone  
Get it with your bad self  
Go get in on  
Gon' get on gone  
Get it with your bad self (Quit it!)

With your bad self  
Get it with your bad self

Just when I think my get-up  
Has got up and gone  
Lookin' into my rear view mirror  
I see you dancin' alone  
With your bad self  
You and your bad self

Go, go, get on gone  
Get it with your bad self  
Go, go, get on gone  
Get it with your bad self

(Shut up! Quit It! Quit it!)

Word up, huh, word up!  
Uh uh uh uh, play it loud  
Don't stop it

Don't stop it, don't stop it  
Just get it on the good foot, y'all  
Papa just wanna dance  
Don't stop it (hey baby!)

Don't stop it, don't stop it  
Let's get it on the good foot  
Good God y'all  
They don't stand a chance

Go, get on gone, get it  
I do believe too  
Ain't no stoppin' us now  
We got happy feet, yeah  
Go, go, get on gone  
With your bad self

Papa just wanna dance  
Go, get it on, gon' get on gone  
With your bad self

(Intense, intense, intense, intense)  
Go  
Oh, oh, oh, oh, oh, oh, oh...  
Aah, bad!

Go, get it on, gon' get on gone  
Get it with your bad self  
Go, go, get on gone  
Get it with your bad self  
Go, go, get on gon'  
Get it with your bad self  
Go, get it on, gon' get on gone

Shut up! Quit it!  
Word, word up!  
Go, get it on, gon' get on gone  
Shut up! Quit it!

Just when I think my get-up  
Has got up and gone  
Lookin' into my rear view mirror  
I see you comin' along  
With your bad self  
Your real bad self

Don't stop it, don't stop it  
Let's get it on the good foot y'all  
Papa just wanna dance  
Hey baby!  
Don't stop it, don't stop it  
Let's keep it on the good foot  
Good God, y'all  
They don't stand a chance

No stop it, they can't stop it  
Let's keep it on the good foot y'all  
I wanna jam  
(Go, get on gone, get it)  
Hey baby!  
No stoppin', don't stop it  
Let's keep it on the good foot  
Good God y'all  
They don't stand a chance  
(Go, get on gone, get it)  
Get on gon', get it

Papa just, papa just, papa just, papa just  
Papa just wanna dance  
Woo-woo-woo-woo-woo-woo-whoa  
Ain't no stoppin' us now  
Papa just, papa just, papa just, papa just  
Papa just wanna dance  
Go, get on gone, get it  
Ain't no stoppin' us now
