

# Let's Get Funky

George Clinton

Let's get funky tonight, c'mon girl  
Let's get funky  
Let's get funky tonight, c'mon girl  
Let's get funky

I know there is a party in the place  
I know that you are on the One  
But when it comes to you  
I know how I can explain it  
Don't dare get it too much, girl  
And don't abuse it  
Girl you, please, let me talk to you just one time  
I'll tell you that I do love you, girl  
So let me tell you how I feel about you

Let's get funky tonight, c'mon girl  
Let's get funky  
Let's get funky tonight, c'mon girl  
Let's get funky

I know that you're empty of it into your brain  
You know I want to give this to you away  
But when it comes to you  
I don't want to be afraid of you  
Girl, I don't want you to give me worries about it  
Girl you, please, let me talk to just one time  
I'll tell you that I do love you  
So, let's have a party tonight  
Let's get funky

Let's get funky tonight, c'mon girl  
Let's get funky  
Let's get funky tonight, c'mon girl  
Let's get funky
