

## Some Next Shit

George Clinton

Fight for your right to cuss, fuss, bust the rhyme  
Yo, if that ain't enough  
Fight for your right to cuss, fuss, bust the rhyme  
Yo, if that ain't enough  
Fight for your right to cuss, fuss, bust the rhyme  
Yo, if that ain't enough

Yo, no loudspeakers, but I'm speaking loud  
Vehnacular ass kickin' truth out to the crowd!

The tick was clockin' the tock  
Dockin' every muthafuckin'  
Hickory dickory mice runnin' up the clock  
Shit hits you in your gut  
In your poot butt

I can't hear you!  
I don't hear you  
I still can't hear you  
Of course it's gang related, there's a gang of us on the stage  
Damn right it's drug related, this shit is dope  
Your turn  
Funk-ya My lordy (oh lordy)  
No matter how derogatory, auditory  
Oh lordy A P-Funk  
Oh Miss Smarty-Ain't nothin' but a party

So hickory dickory dock  
Tick tock (tick tock)  
Funk around the clock  
Poot butt  
Pre-P, pocket-pickin' petty piss poor punkass punks  
Posin' to be perpetrators, posin' with the funk  
Proudly displayin' your P-Funk signs  
Quit it, I ain't wit it  
Get them dick beaters off of the microphone  
(Your poetry stink)  
Take your dead ass home  
Shit, piss, hell, damn, fuck  
What kind of language is that you honorary cuss?

Watch the watchdog watchin' it all on a stopwatch  
The kooks going coo-koos for a sun clock  
No loudspeakers, but I'm speaking outloud  
Vehnacular ass-kickin' truth out a crowd  
The tick was clockin' the tock  
Doggin' every muthafuckin' hickory dickory dock  
Mice runnin' up a muthafuckin' clock
