

# Born To Love You

George Duke

You walk into my life  
And change the balance of my days  
With your eyes you say  
I am yours and you are mine  
But still something's very wrong  
No I can't just go along  
Though you want to stay  
I must find a reason to delay

We're not the same  
You play a game  
I know  
But if I keep my feelings strong  
I'll find the song you sing  
Though i can tell  
We're worlds apart and in my heart it's clear  
That Love has found a cloudy day  
I'm here to say that  
I was born to love you

Such a lovely face  
With a warm and tender smile  
Though I want you so  
Something deep inside keeps saying  
Don't trust your heart this time  
Could my mind be playing games  
Am I so betrayed  
That my heart and mind can never be the same
