

## Mercy

George Duke

Yeah, Muh - Mercy!

Yeah, Muh - Mercy!

Josie - When you're all alone lookin' at the phone

Waiting for your man to get on home

Muh - Mercy!

Napi - When a fine girl catches your eye

Dogs your line and then walks on by

Muh - Mercy!

Lynn - Rushing around nearly crashed my car

Stubbed my toe on the mini bar

Muh - Mercy!

George - If it ain't right, then it's wrong - amen

So hit me with that thang again

Muh - Mercy! (when there's nothing left to do say)

Yeah, Muh - Mercy!

Yeah, Muh - Mercy!

Josie - When you're feeling good, understood

It won't last long so knock on wood

Muh - Mercy!

Napi - Doing the right, though you're thinking wrong

Push on through it and be strong

Muh - Mercy!

Lynn - When you lose your job'n money's hard to find

Unemployment check comes right on time

Muh - Mercy!

George - Just keep doing the right thing let me say it again

Hit me with that thang and then

Muh - Mercy! (when there's nothing left to do say)
