

Ooh Baby

George Duke

ooh baby
I know you're so alone?
even though I seldom see you
I feel so strong?
Oh sugar
sometimes I need
what's so deep inside my body
I must conceive
I love you

that my love
in a special place
and I feel the need to tell you
each and every day
oohh baby
with this love inside
I know how long you've waited
how hard you've tried
