

## Searchin' My Mind

George Duke

I've been abused in my life and time  
Wanting to love and give up self and mind  
Hoping and praying  
That you'll be mine always

Knowing that I would never bind your heart  
That way  
To make you stay  
I've lived lonely times that would not pass  
I've lived good times I've hoped would last  
Knowing all the while I might be asking too much  
of you

searchin' my mind, searchin' my mind with you babe  
(I want ya, I need ya)  
Takin' some time, searchin' my mind with you babe  
( 'cuz I love ya)  
searchin' my mind, searchin' my mind with you babe  
(I want ya, I need ya)  
Takin' some time, searchin' my mind with you babe  
( 'cuz I love ya)

Although you've told me your heart must be free  
I feel within me that you'll grow to see  
That love that's really strong is love that has to be  
really be

searchin' my mind, searchin' my mind with you babe  
(I want ya, I need ya)  
Takin' some time, searchin' my mind with you babe  
( 'cuz I love ya)  
searchin' my mind, searchin' my mind with you babe  
(I want ya, I need ya)  
Takin' some time, searchin' my mind with you babe  
( 'cuz I love ya)
