

## So Many Stars

George Duke

The dark is filled with dreams  
So many dreams, which one is mine?  
One must be right for me

Which dream of all the dreams  
When there's a dream for every star  
And there are oh so many stars, so many stars

The wind is filled with songs  
So many songs, which one is mine?  
One must be right for me

Which song of all the songs  
When there's a song for every star  
And there are oh so many stars, so many stars

Along the countless days, the endless nights

That I have searched so many eyes  
So many hearts, so many smiles

Which one to choose, which way to go?  
How can I tell, how will I know out of  
Oh, so many stars, so many stars?

Along the countless days, the endless nights  
That I have searched so many eyes  
So many hearts, so many smiles

Which one to choose, which way to go?  
How can I tell, how will I know out of  
Oh, so many stars, so many stars?  
So many stars, so many stars, so many stars
