

# Spectacular Rival

George Ezra

Violence in the air,  
Cut those stares,  
We're just window shopping  
Won't you dance with me?  
I'm gonna knock you down,  
Have you after hours

Till many sugar dips,  
you'll get licked,  
beautiful punchbag,  
I'm gonna lay you down,  
Just call me Mr. Ground.

Ohhhhhhh,

I'm not that kind of man in the day,  
Won't you hold me steady spectacular rival?  
And i've had medicine  
Though you're not my friend,  
I'll love you 'till the end

Either way,  
Heaven's got a place for me  
Your majesty,  
Why you got it in for me?

Either way,  
Heaven's got a place for me  
Your majesty,  
Why you got it in for me?

Either way,  
Heaven's got a place for me  
Your majesty,  
Why you got it in for me?

Either way,  
Heaven's got a place for me  
Your majesty,  
Why you got it in for me?
