

Auntie Maggie's Remedy

George Formby

Now there's all sorts of medicines that you can buy
No matter what ailment you've got
But I know a special one you ought to try
You'll find it's the best of the lot
It's my Auntie Maggie's home made remedy, it's guaranteed
never to fail
That's the stuff that will do the trick
It's sold at every chemist for "one and a kick".
Now if you've got lumbago, rheumatics or gout, or a pain
in your Robert E. Lee
Don't kick up a shindy, you'll never get windy with
Auntie Maggie's Remedy
If you set your alarm clock for eight in the morning
You're bound to wake up I'll agree
But I'll bet you by heaven, you'll wake up at seven
With my Auntie Maggie's Remedy

It's my Auntie Maggie's Remedy."
Oh my Auntie Maggie's home made remedy, it's guaranteed
never to fail
That's the stuff that will do the trick
It's sold at every chemist for "one and a kick".
Now if you've got lumbago, rheumatics or gout, or a pain
in your Robert E. Lee
Don't kick up a shindy, you'll never get windy with
Auntie Maggie's Remedy
Now when the baby starts crying, there's always a
reason
And if you inspect him you'll see,
The poor little chappy has covered his nappy
With Auntie Maggie's Remedy
Now I went to a doctor, I wasn't too well
And he made me lie on a settee
He said "there's trouble brewing, you've been overdoing
Your Auntie Maggie's Remedy."
Now I know a girl who was putting on weight,
In a spot where it just shouldn't be
So I said to Nellie, "Now you rub your ankle, with
Auntie Maggie's Remedy."
