

## Letters Have No Arms

George Hamilton IV

I just got your letter dearest sweetheart and darling I miss you  
oh so much  
Your letter has cheered me but I'm lonesome lonesome just to feel  
your loving touch  
Letters have no arms dear to hold me kisses on paper are so cold  
These sweet things you write in your letter I want to be with you  
dear been told  
Letters never bring me the touch of your hand or none of your sweet  
loving charms  
I get so lonesome for you darling and you know that letters have  
no arms

Letters never bring me...
