

## Truck Drivin' Man

George Hamilton IV

(I'm a truck drivin' man)  
Well I stopped at a road house in Texas a little place called H  
amburger Dan's  
Heard that old jukebox start playing tune called the Truck Driv  
in' Man  
The waitress then brought me up some coffee  
I thanked her then called her back again  
I said that old song sure does fit me cause I'm a truck drivin'  
man  
Pour me another cup of coffee for it is the best in the land  
I put a nickel in the jukebox and play the Truck Drivin' Man  
[ guitar - steel ]  
Well I climbed back aboard my old semi and then like a flash I  
was gone  
I got them old truck wheels a rolling now I'm on my way to San  
Antone  
When I get my call up to glory they'll take me away from this l  
and  
I'll head this old truck up to heaven cause I'm a truck drivin'  
man  
Pour me another cup of coffee...  
And play the Truck Drivin' Man
