

# Wall

George Hamilton IV

There's a lot of strange men in cell Block 10 but the strangest  
of them all

Was a friend of mine who just spent his time staring at the wal  
l

(Staring at the wall)

In his hand was a note that his gal had wrote and it proved tha  
t crime don't pay

Twas the very same gal he robbed and stole for name in her wedd  
in' day

(Name in her weddin' day)

As he looked at the wall so strong and tall I could hear him so  
ftly curse

Nobody a tall ever climbed that wall but I'm gonna be the first  
(I'm gonna be the first)

The warden walked by and said son don't try I would hate to see  
you fall

There is no doubt they would carry you out if you ever touch th  
at wall

(Ever touch that wall )

A year's gone by since he made his try but I can still recall  
How hard he tried and the way he died but he never made that wa  
ll

(Never made that wall)

There's never been a man ever shook this can but I know a man w  
ho tried

The newspapers called it a jailbreak plan but I know it was sui  
cide

Know it was suicide
