

When Will I Know

George Hamilton IV

Ladedadededa, Ladedadededa

When will I know
Tell me how will it show
When will I know
I'm in love

Ladedadededa, Ladedadededa

How will I feel
When it happens for real
When will I know
I'm in love

Ladedadededa

When my true love is near
Should I hear
Angels like I do
My heart would like to know
Cause if it's so
The only one I want is you

When will I know
If you tell me it's so
When will I know
I'm in love

Ladedadededa

My heart would like to know
Cause if it's so
The only one I want is you

When will I know
If you tell me it's so
That's when I'll know
I'm in love

Ladedadededa, Ladedadededa

That's when I'll know I'm in love
