

Awaiting on You All

George Harrison

You dont need no love in
You dont need no bed pan
You dont need a horoscope or a microscope
The see the mess that youre in
If you open up your heart
You will know what I mean
Weve been polluted so long
Now heres a way for you to get clean

By chanting the names of the lord and youll be free
The lord is awaiting on you all to awaken and see
Chanting the names of the lord and youll be free
The lord is awaiting on you all to awaken and see

You dont need no passport
And you dont need no visas
You dont need to designate or to emigrate
Before you can see jesus
If you open up your heart
Youll see hes right there
Always was and will be
Hell relieve you of your cares

By chanting the names of the lord and youll be free
The lord is awaiting on you all to awaken and see
Chanting the names of the lord and youll be free
The lord is awaiting on you all to awaken and see

You dont need no church house
And you dont need no temple
You dont need no rosary beads or them books to read
To see that you have fallen
If you open up your heart
You will know what I mean
Weve been kept down so long
Someones thinking that were all green

And while the pope owns 51% of general motors
And the stock exchange is the only thing hes qualified to quote
us
The lord is awaiting on you all to awaken and see
By chanting the names of the lord and youll be free
