

You

George Harrison

(one, two,
One, two, three, four)

I, I love, love
And i, and I love you
Oh you, you, yeah you

And you, you, love, love
And you, yes you, you love me
Yeah you, you, yeah you

And when Im holding you
What a feeling
Seems so good to be true
That Im telling you all
That I must be dreaming

And i, and i, I love you
Oh you, oh you, yeah you

And when Im holding you
What a feeling
Seems so good to be true
That Im telling you all
That I must be dreaming

Now i, oh i, I love, love
And i, yeah i, I love you, I love you
Oh you, you, oh you

Oh, you know that I love you, oh oh oh
Oh, you know that I love you, I love you, i, I said I love you
