

Bounce

George Huff

Ain't nothing much you got to worry about
Just put a smile on your face It'll all work out
I think your beautiful just the way you are
Just hold your head up high and open up your heart

If you free your mind feel the beat its your time to shine
If you just believe come on now and bounce with me

Bounce, Bounce, Bounce, Bounce, Bounce
I got to scream and shout that's what life is all about
Bounce, Bounce, Bounce, Bounce, Bounce
Put your hands up in the air wave em like you just don't care
Bounce, Bounce, Bounce, Bounce, Bounce

It might look like I'm losing my mind
But I don't care I'm having the time of my life
If you want a little bit A little bit of what I got
Get ready to move around when the beat drops
Its gonna be hot

Bounce, Bounce, Bounce, Bounce, Bounce
Put your hands up in the air wave em like you just don't care

If you free your mind feel the beat its your time to shine
If you just believe come on now and bounce with me

Bounce, Bounce, Bounce, Bounce, Bounce
Put your hands up in the air wave em like you just don't care
Bounce, Bounce, Bounce, Bounce, Bounce
