I lost her love and started drinking trying hard to stop from thinking

And I found that it was not the thing to do

But I can't stop my heart from throbbin' couldn't ease the pain by sudden

Forgive me now and I will always do what's right.

It's my fault my heart is broken, angry words that we have spok

I'm so sorry now for I have seen the light

Humbly hope that you still love me for I swear by stars above m  $_{\rm e}$ 

Forgive me now and I will always do what's right.

Now I see I was mistaken and my heart is slowly breakin'

For I know that I was wrong right from the start

Let's renew our romance dear please just give once more chance dear

Forgive me now and I will always do what's right.

It's my fault my heart is broken, angry words that we have spok en

I'm so sorry now for I have seen the light

Humbly hope that you still love me for I swear by stars above m  $_{\text{\tiny C}}$ 

Forgive me now and I will always do what's right...
