Geronimo

George Jones

(Geronimo, Geronimo)
The pages of the history books can tell you of his fame
And the fear that struck the settlers at the mention of his nam
e
And in Mexico they won't forget the vengence of this man
Who blazed a bloody battle trail and terrorized their land
Geronimo (Geronimo.)
He blazed a bloody battle trail and terrorized their land
(And terrorized their land.)
Some called him a runagade and some called him cheif
Some called him a warrior and some called him a theif
But this Cherakowa red man no braver hero falls
Apache brave and no ones slave he feared no man at all
Geronimo (Geronimo.)
Apache brave and no ones slave he feared no man at all
(He feared no man at all.)
And no matter where he wandered
No matter where you go
His name will live forever
The famed Geronimo (the famed Geronimo.)
Geronimo (Geronimo.)
Geronimo (Geronimo.)
Geronimo (Geronimo...)
