I Can't Get There from Here

George Jones

I'm looking for the town where sadness can't be found Where happiness is blooming all year 'round A place where there's no heartaches and no one crys a tear But they all say I can't get there from here.

Surely there's a place to rest a tortured mind Oh, what I'd give if I could find A place where there's no mem'ry of all those wasted years But they all say I can't get there from here.

Surely there's a place to rest a tortured mind Oh, what I'd give if I could find A place where there's no mem'ry of all those wasted years But they all say I can't get there from here.

They all say I can't get there from here...
