

# I'll Take You To My World

George Jones

If you can find it in your heart to just forgive  
Then I'll come back and live the way you wanted me to live  
All I want is you to be my girl  
Let me come and get you and take me to my world.

I'll take you to my world away from bar rooms filled with smoke  
Where you won't have to sell a drink or here another dirty joke  
All I want is you to be my girl  
So please come with me let me take you to my world.

I'll take you to my world make you forget the things you've heard  
Where people say I love you and love is not a dirty word  
All I want is you to be my girl  
So please, come with me and I'll take you to my world.

All I want is you to be my girl  
So please, come with me, I'll take you to my world...
