I Stayed Long Enough

George Jones

Accident'ly in your arms That's all it took Knowing how you need and want me With just one look.

To leave you now is something You should know that I can't do I stayed long enough To fall in love with you.

Long enough to know that What I feel won't go away Just lookin' won't be near enough After today.

Everything I need is Everything I see in you I stayed long enough To fall in love with you.

Oh, long enough to know that What I feel won't go away And just lookin' won't be near enough After today.

Everything I need is Everything I see in you I stayed long enough To fall in love with you.

I stayed just long enough To fall in love with you...
