## In The Garden

## **George Jones**

I come to the garden alone While the dew is still on the roses And the voice I hear, falling on my ear The Son of God, discloses.

And He walks with me
And He talks with me
And He tells me I am His own
And the joy we share
As we tarry there
None other has ever known.

He speaks and the sound of His voice Is so sweet that the birds hush their singing And the melody that He gave to me Within my heart, Oh, it's ringing.

And He walks with me
And He talks with me
And He tells me I am His own
And the joy we share
As we tarry there
None other has ever known.

And the joy we share As we tarry there None other has ever known.

None other has ever known...
